BEHAVIOR EXPECTATIONS

Ali'iolani Ohana,

This school year has been a year like no other. There have been so many changes, not just with our various forms of learning: distance, virtual, and in person learning, but also with our personnel. The most obvious change was the departure of Principal Passantino who transferred to Central Middle School during the Winter Break. However, at this same time, Mrs. Iwamoto, our Student Services Coordinator retired after 37 years of service. Mrs. Iwamoto played a very important role in helping our students receive the necessary supports and services to maximize their learning. Mrs. Iwamoto still comes to campus to visit from time-to-time, so please say HI to her when you get a chance.

Although we will miss these people dearly, we are very happy to welcome a new person to our Ali'iolani Ohana. We are very fortunate to have Mr. Shawn Doo, from Farrington High School, who will be a Vice Principal with us the rest of this school year. He has only been with us since January 22, 2021, but he is already establishing a great rapport with our students. We are happy Mr. Doo is with us, and we are excited for all the things he will do the rest of this semester.

A Message from our Principal!

Principal Hosoda and Glen Mark P.

It's been great having students back on campus. Seeing the students in their classrooms, at recess, and in the cafeteria has been wonderful. The energy they bring to school is something that can be felt by all. We love our students!

Thank you for all your support during these very challenging times.

Sincerely,

Timothy Hosoda

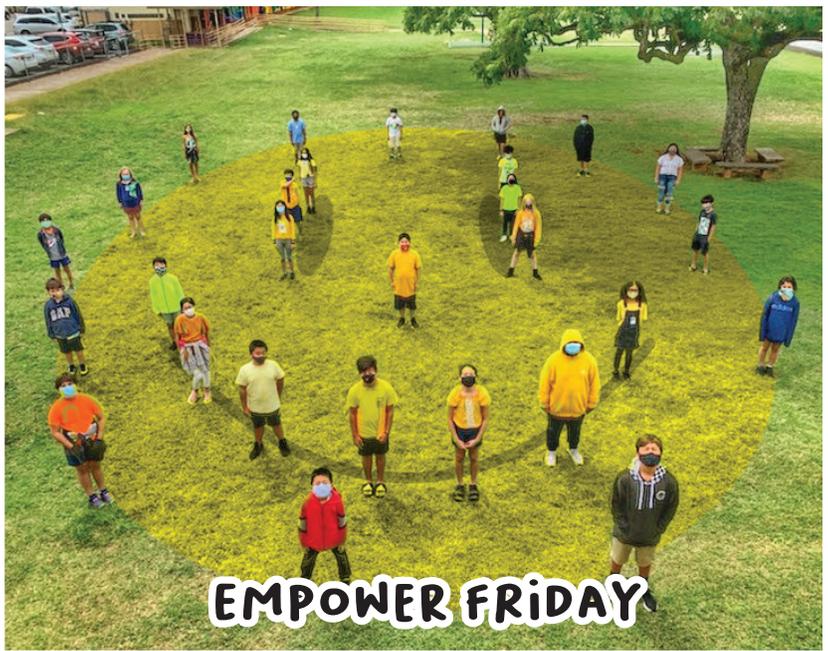

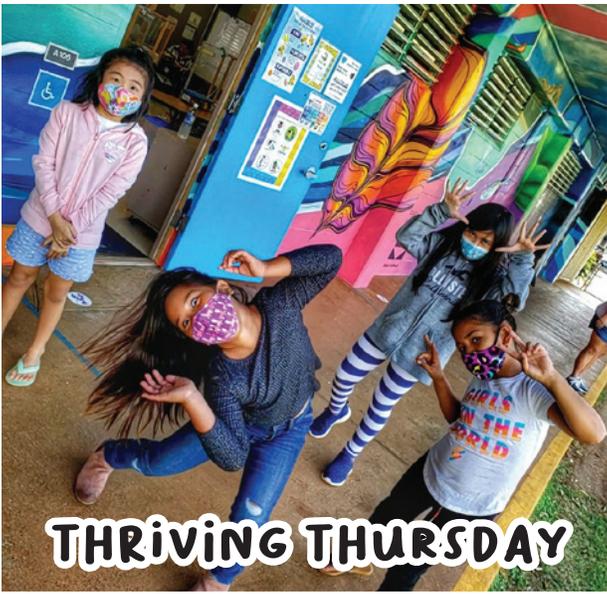

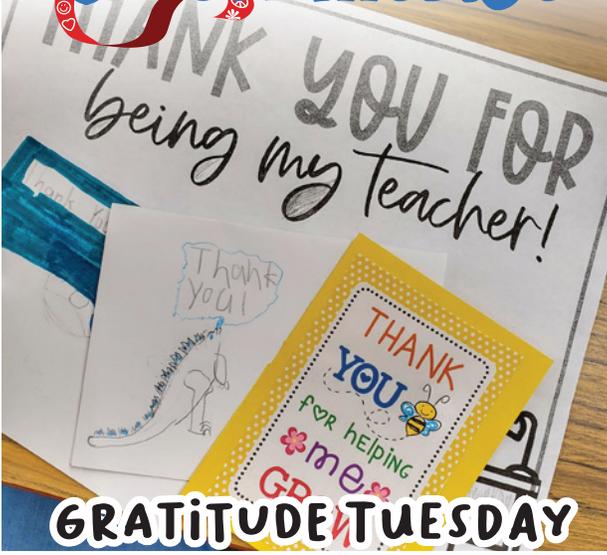

Congratulations to our i-Ready Olympics Medal Winners! Winners were chosen from their passed lessons along with their pass proficiency rates. These students had the highest pass rates with the most lessons passed. Here are just a few of our winners!
